WELCOME

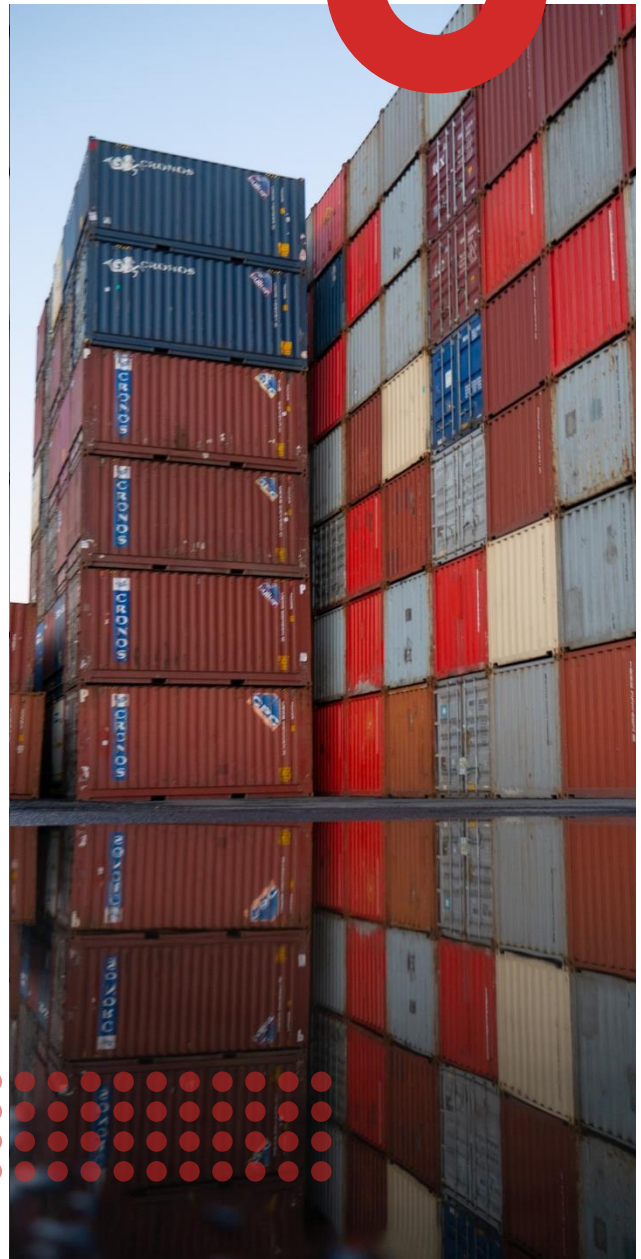

WE DO LOGISTICS RIGHT

Union Logistics Inc. is a non-asset-based 3rd Party Logistics (3PL) provider. We are licensed, bonded and meet or exceed all of Department of Transportation's Federal Motor Carrier Safety Administration requirements. Union Logistics provides a wide variety of quality transportation solutions across North America to a multitude of customers.

Union Logistics is a women minority owned small business registered in the state of Virginia. We understand your shipping needs and provide customized solutions by leveraging a vast network of assets, strategically carrier partners and knowledge in logistics with professional people.

Our principal broker is a U.S. Military Veteran who holds MBA degree with specialization in supply chain management. Our team is a select group of individuals, with Over 25 years of combined experience in intermodal transportation that includes air, sea, and land, logistics, supply chain management experience as well as in the field of Information Technology. Union Logistics has dedicated teams of people working to evolve relationships with existing customers and teams specifically dedicated to finding new relationships and opportunities not currently part of the Union Logistics umbrella.

Union Logistics is well qualified and a uniquely positioned company to handle global supplies chain requirements. We realize how important the supply chain is to your business and at Union Logistics we are transportation experts that are highly skilled in freight management operations and supply chain optimization. We have the ability to develop and implement cutting-edge technologies in direct support of your mission through innovative ideas.

Global logistics and transportation solutions quality service since 2008

3PL, Solution Provider

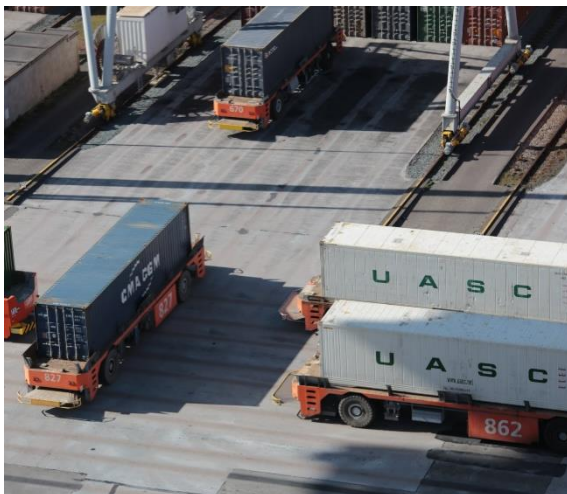

Union Logistics is equipped to provide and manage all your transportation needs and solutions in this uncertain and tough environment. We would like to be your experienced partner ready to help you handle your freight management while improving your bottom line. For nearly five years companies of all sizes, moving every type of product have turned to Union Logistics to manage part – or all – of their transportation needs.

You want great rates – but you also need a logistics partner who is an extension of your company. More than just coordinating carriers, Union Logistics focuses on the details important to you and your customers: on-time delivery, arranging product delivery to multi- locations, and special customer requirements. Companies across North America depend on Union Logistics expansive truckload and LTL carrier base to ship a large variety of goods.

Whether you use a single mode of transportation or require a more complex multi-modal service, you want a partner who has the experience and dependability to deliver and Union Logistics has the experience to ship nearly all freight modes:

Licensed, Bonded and Insured

- Flatbeds – Standard, step-deck, double-drop, side kit, RGN, Conestoga
- Truckload/Van – Dry van, dry bulk, reefer, tanker
- LTL – Partnerships with national and regional LTL carriers

- Rail/Barge – Relationships with Class 1 railroads, short-line/regional railroads and major barge companies
- Air and ocean
- Warehousing Solutions
- Drayage Services
